GRADING RUBRIC FOR CONFERENCE PAPER
10% Team Deliverable

Group #:   Grader's name:

For each component, evaluators will consider the engineering content as well as the technical writing. Engineering content will be evaluated first. See the template for what is expected in each section.

Missing components = 0
U = Unsatisfactory (clearly below standard for a 4th year level SYDE student);
M = Marginal (meets minimum expectations);
S = Satisfactory (demonstrates basic competence for the project undertaken);
VG = Very Good;
E = Excellent;
O = Outstanding.
